Summer Volunteer Program

Too young to get a job? Volunteer and build a resume that'll knock their socks off next summer!

High-school and middle school students who have completed 6th grade can volunteer in City of Tempe facilities and programs during June and July. Some of our “job titles” include computer aide, junior lifeguard, library page, instructor's assistant, exhibit hall aide, gift shop cashier, clerical assistant, and more. Plus, all volunteers complete an application and are interviewed—great experience for that summer job!

Besides building a great resume, gaining work-like experience, and exploring possible careers, you'll be helping your community, doing something positive with your time, making new friends, learning new things, and much, much more.

For a program brochure listing opportunities and program details, call the city volunteer office at 480-350-5190 or visit online at www.tempe.gov/volunteer.
